

community development. The bill is stuck on General File but there is a desire by the Department of Economic Development to move forward to work with everybody to find out how we can better coordinate our efforts in this area. And so rather than wait a year and lose that interest and momentum, we would like to have this intent language to indicate the desire to have the department move forward with a report back to us by the end of this year so that we could see what needs to be done in this area. I think it would be valuable to better utilize our resources for community development. And we all know there's many different entities out there doing this work. They could better cooperate and communicate and this is our attempt to try and see that that gets done. So I would very much ask for your support for the amendment.

SPEAKER BAACK: You've heard Senator Wesely's closing. We will now proceed to vote on the amendment offered by Senator Wesely. All those in favor vote aye, opposed vote no. We are voting on the amendment by Senator Wesely. I might encourage any of my colleagues who may be in their offices listening to this that we do have a number of amendments on the budget bill, and if we're going to get through these today, we need to have you on the floor working because it is rather difficult to get the votes together. It's taking us about 10 minutes each time to get a vote. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of Senator Wesely's amendment.

SPEAKER BAACK: The amendment is adopted. The next item, Mr. Clerk.

CLERK: Mr. President, Senator Moore would move to amend. Senator, do you want to explain 1895 first or shall we go right to the...

SENATOR MOORE: Let's go straight to 1937.

CLERK: Mr. President, Senator Moore would move to amend with AM1895. He would move to amend that with AM1937. (The Moore amendment appears on page 2274 of the Legislative Journal.)

SPEAKER BAACK: Senator Moore.

SENATOR MOORE: Mr. Speaker, actually, in the Journal you have
